What is PNGX?

Since 2008, PNG Exchange has been providing energy professionals the space for acquiring or disposing of properties.

PNGX is the largest platform for reaching the widest number of interested parties in the marketplace.

Each member of the PNGX team has 20+ years of marketing and sales experience in the industry.

How it works

PNGX is free for anyone to view listings.

For one fee (3, 6 or 12 months), companies can post an unlimited amount of assets.

PNGX does not get involved in transactions and does not charge a commission or fee when transactions are completed.

The PNGX Advantage

24 Hour Sales Team

Your listings work when you're not. Potential buyers view your listing morning, noon and night.

Cost Effective

PNGX is the most inexpensive form of advertising for energy professionals. One fee for an unlimited amount of listings.

The PNGX Advantage

Easy to Use

You've done the work preparing your sale. In 5–10 minutes, your listing on PNGX is ready to be seen by 1000s of potential buyers.

Time Effective

One listing can be seen and shared by site visitors and across multiple social media platforms. No need for mass emails, phone calls or multiple site listings.

The PNGX Advantage

Multiple Uses

Expiring acreage, properties for sale, farming out operations notices, section 18 notices, well abandonment candidates, seismic options, companies and more.

Experienced Marketing

Leverage our 20+ years of marketing and sales experience to get the most of your marketing dollars.
